## Escrow Account Disclosure Statement

At least once every 12 months, Vanderbilt Mortgage reviews the amount of taxes, insurance and Mortgage Insurance (if applicable), paid from your escrow account. The review, called Escrow Account Disclosure Statement, determines if the expense for any of the items included in the review has increased or decreased from the prior year. If there was an increase or decrease, your escrow payment will be adjusted. Vanderbilt Mortgage may review your escrow account more often as needed.

PROJECTED LOW-POINT: (a) \$52.36-  
REQUIRED LOW-POINT: (b) \$.00

**\*TOTAL ESCROW SURPLUS OR SHORTAGE / DEFICIENCY (-):**  
\*You may pay the deficiency amount to keep the escrow payment at the new base payment.

\$52.36-

If your Projected Low-Point (a) is:

- Greater than your Required Low-Point (b), you have a surplus. We will mail you a check for the lessor of the surplus or your Starting Projected Balance. If surplus is less than \$50, we are keeping it to lower your escrow payment. Some states may have different requirements for handling this surplus. If so, you will be notified of options in a separate letter.
- Less than your Required Low-Point (b), you have a shortage or deficiency (or both). This will be collected from you over a period of 12 or more months.
- Equal to your Required Low-Point (b), you have neither a surplus nor a shortage or deficiency (or both).

An asterisk (\*) indicates a difference in your actual escrow account balance from the previous projection either in the date or amount. Differences of \$2.00 or less are not marked with an asterisk.

N/A means no projection is available.

Last year, we anticipated that payments from your account would be made during this period equaling \$2,109.89 Under Federal law, your lowest required balance should not have exceeded \$351.64 or 1/6 of anticipated payments from the account, unless your mortgage contract or State law specifies a lower amount. Your mortgage contract and State law are silent on this issue. If there is an asterisk (\*) above in your Account History, this may explain why such lowest required balance was exceeded, if applicable.
